

Pre Key Stage Standard Moderation

KS1 & KS2 Maths

Date: Thursday 8th November 2018

Time: 4pm – 5.30pm

Venue: Castle Hill School, Huddersfield (HD4 6JL)

Cost: £15 (to cover admin costs)

For: Schools who have pupils working below the Key Stage Standard and assessing with the new 2018-19 Pre Key Stage Standards.

Context: This session will be led by an experienced Special School Leader who has expertise in assessment. The focus for the moderation will be **Maths**.

It is an opportunity to share discussion with other colleagues and to begin to make sense of moderating against the new Pre Key Stage Standards.

We are asking colleagues who attend to **bring along examples of maths work that they would like moderating**.

Outcomes: To gain a clearer understanding of assessment using the Pre Key Stage Standards. All colleagues who attend will receive copies of moderated work that can be used in their own schools for supporting assessments.

To book: please [click here](#) or email Alison.ley@castlehillsschool.org.uk for a booking form.
